

Ecosmith Recycling Service Project

NH Rainbow will be partnering with Ecosmith Recyclers Inc as a state service project. Ecosmith Recyclers is a sustainable, locally owned, for profit family recycling business serving New Hampshire, Massachusetts and Maine since 1991. Once items are donated to Ecosmith they are then shipped over seas to poor communities where they can be reused or recycled as something else.

Why are we doing this?

NH Rainbow is partnering with Ecosmith Recyclers as the state service project this year to fundraise for the state charity, Girls at Work, Inc. It coincides well with our Grand Worthy Advisor Kimmie Maier's theme of speaking for the trees and going green with the Lorax and his friends.

What will we be collecting?

We will be collecting various textiles such as clothing, household linens like blankets or curtains, accessories such as hats, belts, and bags, or even Halloween costumes, stuffed animals, shoes, and non-contaminated rags. All items must be generally clean with no strong odors. Holes and stains are okay.

Collection times

I will be collecting items at most state events and at various meetings. It would be very helpful if assemblies could have a designated bin within their Temple to collect items and encourage sponsoring bodies to donate as well!
