

Grand Assembly Projects

~Ancestor Stone~

Time to get back to our roots, for our Assemblies wouldn't be where they are today if it weren't for the Sisters of the Past. This year we are going to pay tribute to Our Majority Rainbow Girls by creating an Ancestor Stone to go behind the Bow stations. A foam board will be provided and You may decorate it any way you see fit to honor those who have given so much to this Great Organization
All Decorations must stay in the Limits of the Board,

~ScrapBook~

Each Assembly will create a Scrapbook. Please pay specific attention this year to recognize your Assembly heritage and time that you have gotten together as a Fraternal Family with your Majority Members, Pledges, Masons, and Eastern Star.

See Mother Advisor's Handbook for instructions

~Drill~

See Mother Advisor's Handbook for instructions

~Scroll Bank~

Collect money at each Assembly meeting to donate to the NH Grand Assembly Scholarship Funds. Decorate the Piggy Bank Scrolls to resemble your Assemblies Personality. Be Creative! Bring to Grand Assembly 2018 to have them judged for the best representation.
