

Grand Assembly Projects

Surfboards

Each assembly received a blank surfboard at Grand Assembly. This surfboard is yours to decorate to show people what makes your assembly a family. These will be on the backs of the bow stations at Grand Assembly. Have fun and get creative!

Drills

You know the “drill”...get it? Remember to refer to the Mother Advisor’s handbook for any questions regarding the rules. Music selections should be submitted to Dad Smith no later than June 1st.

Banks

A pivotal scene in the movie is where Stitch reads the book “The Ugly Duckling” and deeply relates to the main character. Your job is to decorate your banks in a way that reflects a book that your assembly relates to or that you all enjoy. You can decorate it exactly to match a specific book, or mix a couple of favorites together into a unique cover. Get creative and have fun! **Remember to decorate these early because you will need to bring them to Grand Officer’s Day!**

Official Visitations

OVs for this year have changed, so make sure to refer to the separate paper explaining the outlines for this year.

Scholarships

October is Scholarship Month for New Hampshire Rainbow! Each assembly has been tasked with planning at least one scholarship event during the month of October, along with participating in our other scholarship fundraisers throughout the year.

Travel Gavel

This is something New Hampshire Rainbow used to do, and I thought it would be fun to bring it back! Refer to the separate Travel Gavel page for more details.
